Cruise Highlights

Charlotte Amalie, St. Thomas

St. Thomas is known as an idyllic vacation spot today, but its history is not so peaceful. In the 18th century, the island was at the center of a bustling pirate culture, as swashbuckling pirates such as Blackbeard and Drake traded stolen wares in the port of Charlotte Amalie. This world-renowned Caribbean island is home to amazing beaches, gorgeous sea and landscapes and unbelievable duty-free shopping.

Philipsburg, St. Maarten

When the Spanish closed their colonial fort on St. Maarten in 1648, a few Dutch and French soldiers hid on the island and decided to share it. Soon after, the Netherlands and France signed a formal agreement to split St. Maarten in half, as it is today. Philipsburg displays its Dutch heritage in its architecture and landscaping. The island offers endless stretches of beach, beautiful landscapes and great shopping.

Nassau, Bahamas

For a city now known for its warming sun and balmy breezes, Nassau has a tumultuous past. First settled by the English, the area was contested by England, France and Spain. For many years, Nassau was a home base for notorious pirates, and it was burned to the ground by the Spanish three different times. Since 1740, however, visitors from all over the world in search of both relaxation and adventure have made Nassau their favorite destination.

Poker Room

Card Player Cruises proudly features a professional, fully staffed, non-smoking poker room. The poker room is usually open for play immediately after the first-seating dinner on your departure day. The poker room remains open throughout most of the cruise except when the ship is in port.

Free beginner lessons for novices are offered, followed by a \$1-\$2 limit hold'em game.

The Card Player Cruises staff will be happy to spread any game and limit that enough players want to play.

A general guideline regarding the games and limits on most cruises is as follows:

- *Texas hold'em: \$1-\$2, \$2-\$4, \$4-\$8, \$10-\$20, \$20-\$40
- *Omaha/8: \$4-\$8, \$10-\$20, occasionally higher
- *Mixed games: \$20-\$40, occasionally higher
- *No-limit hold'em at blinds of \$1-\$2 and \$2-\$5 with capped buy-ins

There will be a minimum of three poker tournaments on domestic cruises. These events have proven to be one of the most popular aspects of the cruise. All tournaments begin promptly as scheduled. Tournaments generally include a limit hold'em freezeout, no limit hold'em, and an Omaha high-low freezeout. Anticipate buy-ins of \$100-\$230.

All poker games are open to anyone 18 years and older.
