# Cruise Highlights

**Card Player Cruises invites you to visit these exotic ports with us!**

## **Cabo San Lucas, Mexico**

Once referred to as the "millionaire's sandbox," Cabo San Lucas is Mexico's jewel resort at the very tip of the Baja Peninsula. Its remote location and unspoiled beauty make this a seaside paradise. At the tip of the Baja Peninsula, where the blue Pacific mingles with the Sea of Cortez in a whirl of watercolors. Even more spectacular: waters teeming with marlin, swordfish, sailfish, tuna and other fighting fish. Feast your eyes on exquisite black coral; take in the annual migration of the gray whale.

---

## **Puerto Vallarta, Mexico**

Puerto Vallarta has all the amenities of a classic beach resort: surf, sand and sun. But, that's just the beginning. Perfect for honeymooners, families and seniors alike, Puerto Vallarta features fun-filled activities including: sport fishing, golfing, horseback riding, hiking and whale watching. A modern destination that remains loyal to its traditional Mexican roots, this port is distinct from any other destination in Mexico. The mountains, jungles, beaches, rivers and waterfalls make Puerto Vallarta the perfect vacation destination.
