Cruise Highlights

Card Player Cruises invites you to visit these exotic ports with us!

Labadee:

On the north coast of Hispaniola, surrounded by beautiful mountain slopes and exotic foliage, sits Labadee®, *Royal Caribbean's private paradise*. This exclusive destination offers pristine beaches, breathtaking scenery and spectacular water activities. We even have an amazing new Aqua Park for kids. Regardless of where you go, you'll find yourself embraced by the beautiful landscape. Labadee's native charm, along with its natural beauty, make this a destination not to be missed.

Falmouth, Jamaica:

Step off the ship and step back in time. Falmouth was an economic powerhouse and center for dramatic social change during the English Colonial Period. Visitors will enjoy 19th-century Georgian architecture, river bamboo raft rides, arts and crafts shopping, flavorful local fare and horse-and-buggy rides through town. East of Falmouth is Ocho Rios, best known for its spectacular Dunn's River Falls. Travel west to Montego Bay and the beautiful beaches of Negril. Thanks to its location, Falmouth gives visitors the best tour experiences of the north coast of Jamaica.

Cozumel, Mexico:

The Conquistadors first saw Mexico from the shores of Cozumel while searching for gold. Today, visitors to the island continue to seek out gold and silver jewelry in the shops of San Miguel while having a great time in its many local bars and restaurants. Plus, the waters around Cozumel's coral reefs make this one of the best snorkeling areas in the world.

Things You Don't Want to Miss:

Labadee, The sandy beach and coral reefs provide a perfect place to relax and have fun. Whether you're interested in kayaking, snorkeling, parasailing, or you just want to lie on the beach and relax, you won't want to miss Labadee.

At **George Town, Grand Cayman**, you can experience a once-in-a-lifetime adventure: snorkeling with stingrays at Stingray City Sandbar. These relatively tame creatures will swim right into your arms as they glide around you. They have velvety soft skin and love to have their bellies rubbed. Despite their frightening name, they are very gentle and won't hurt you as long as you stay away from their tails.

While in **Cozumel, Mexico**, don't miss the opportunity to explore the ruins of the ancient Mayan city of Tulum, majestically perched above the turquoise Caribbean. The site was occupied as far back as 600 A.D. You will be struck by the pyramid-shaped El Castillo, which dominates the city from atop a forty-foot cliff. The nearby Temple of the Descending God provides equally excellent insight into the architecture of the Mayan people, who gained considerable achievements in the arts and sciences, only to decline and vanish for no apparent reason.
