Cruise Highlights

Card Player Cruises invites you to visit these exotic ports with us!

Cozumel, Mexico:

Cozumel is renowned for its dazzling white sand beaches and the clarity of the Caribbean ocean. Take a snorkeling excursion and slip into another world beneath the warm waters. Tour the magnificent Mayan ruins or take an ATV jungle adventure. Families won't want to miss a trip to X-Caret, Cancun's largest natural adventure park. With an aquarium, gardens, butterfly pavilion, monkey park, deer shelter, turtles and much more, this stop makes for a vacation the entire family will remember long after the cruise holiday is over.

Isla de Roatan:

This idyllic island and its crystal clear waters attract many divers. Located on the Mesoamerican barrier reef, the second largest coral reef in the world, divers can explore the wonderful watery underworld. Take in Roatan's capital, Coxen Hole and the bustling fishing villages of French Harbour and Little Venice. Marvel at the exotic fauna in the lush Carambola Gardens: 30 acres of preserved rainforest, incredible orchids, spices, medicinal plants and home to the scurrying La La monkeys and chattering parrots. Pet and touch friendly reptiles and marvel at the other protected local creatures such as monkeys, macaws and sea turtles at The Iguana Farm.

George Town:

The Cayman Islands are renowned around the world for their beaches and in particular for diving and snorkeling. The Cayman Islands are located in the British West Indies and George Town, the capital of the Cayman Islands situated on Grand Cayman. Visitors never tire of the wide open blue skies and lush green vegetation that forms a perfect backdrop for the brightly coloured tropical flowers that are native to the island. The world-famous Seven Mile Beach is often hailed as 'the loveliest beach in the Caribbean.'

Falmouth, Jamaica:

Situated between Montego Bay (20 minute drive) and Ocho Rios (30 minutes), you can experience the "English heritage" of eighteenth and nineteenth-century Jamaica. For those interested in the natural world the Luminous Lagoon, lit by microscopic organisms, will be the go-to spot. You can swim in the illuminated lagoon or take one of the evening boat trips.

Poker Room

Card Player Cruises proudly features a professional, fully staffed, non-smoking poker room. The poker room is usually open for play immediately after the first-seating dinner on your departure day. The poker room remains open throughout most of the cruise except when the ship is in port.

Free beginner lessons for novices are offered, followed by a low limit hold'em game for beginners only.

The Card Player Cruises staff will be happy to spread any game and limit that enough players want to play.

A general guideline regarding the games and limits on most cruises is as follows:

Texas hold'em: \$1-\$2, \$2-\$4, \$4-\$8, \$10-\$20, \$20-\$40

Omaha/8: \$4-\$8, \$10-\$20, occasionally higher

Mixed games: \$20-\$40, occasionally higher

No-limit hold'em at blinds of \$1-\$2 and \$2-\$5 with capped buy-ins

All poker games are open to anyone 18 years and older.
