## Cruise Highlights

New England and eastern Canada have an unmistakable charm, history and natural beauty all their own, and there's no better time to visit than the fall. The foliage is brilliant in every imaginable color, lighthouses dot the coastline, and there's always an authentic lobster bake going on somewhere.

**Boston, Massachusetts:** The cradle of the American Revolution and one of the oldest cities in the United States, Boston remains the metropolitan center of New England. With an unrivaled history, old New England charm and cosmopolitan sophistication, Boston offers a fascinating travel experience to any visitor.

**Halifax, Nova Scotia:** As your ship comes into port, a bagpiper will welcome you to Halifax, the capital city of Nova Scotia. The "City of Trees" offers the warmth and charm of a small town along with all the excitement you would expect from a great city. Peggy's Cove, Citadel Hill, and the Acadian Country are just a few of the sights that will herald your arrival here.

**Saint John, New Brunswick:** Founded by Loyalists escaping the Revolutionary War in 1785, Saint John has emerged as a thriving port city. Its restored historic waterfront and surrounding natural beauty have made Saint John a wonderful destination.

**Bar Harbor, Maine:** Nestled on the east side of Mt. Desert Island and surrounded by Acadia National Park, Bar Harbor features some of the most spectacular scenery on the Eastern Seaboard. The rock-bound coast, soaring granite cliffs, majestic mountains and blue waters have attracted the Rockefellers, Astors, and Vanderbilts for over 200 years, and continue to enchant visitors today.

**Portland, Maine:** Portland offers a unique combination of Maine's rich history and its own vibrant culture. Local artisans offer their handiwork along the streets of the Arts District and the Old Port Exchange. Colorful boats line the shores of Casco Bay, and wonderful freshly cooked seafood abounds in this charming seaside town.

## Card Player Cruises invites you to visit these beautiful ports with us!

### Halifax, Nova Scotia:

One of the city's most attractive areas is the Historic Properties Development, located along the waterfront. The charming early 19th-century wood and stone buildings here have all been fully restored. And the cobblestone streets and long boardwalks are now lined with a wonderful array of boutiques, cafés, and pubs.

---

### Saint John, New Brunswick:

Experience the amazing Reversing Falls Rapids, Saint John's best-known attraction. Twice daily the powerful tides of the Bay of Fundy rise faster than the river can empty. When this happens, the tide attempts to push the river back upstream, then the tide ebbs and the river appears to reverse itself and flow over the rocks, creating the appearance of reversing rapids.

### Bar Harbor, Maine:

Explore beautiful Acadia National Park. See Cadillac Mountain and the natural rock formations of Thunder Hole. Journey over bridges to arrive at Jordan Pond House, where you can take in the beautiful scenery of Penobscot Mountain and the Bubble Mountains while enjoying popovers and tea.

---

### Portland, Maine:

The Old Port Exchange is really the heart of downtown Portland. It's a collection of 19th-century brick buildings originally constructed to support the vast export and fishing industries. Today, this quaint, restored area houses specialty shops, restaurants and pubs.

---

### Things You Don't Want to Miss:

Downtown, you can explore Kind Square and walk past the Imperial Theater, Old Country Courthouse and the Loyalist Burial Grounds.
- Nestled on the east side of Mt. Desert Island and surrounded by Acadia National Park, **Bar Harbor** features some of the most spectacular scenery on the Eastern Seaboard.
