Roatan, Honduras

The island has a mountainous backbone that provides for some excellent hiking opportunities, panoramas and lush scenery. Surrounded by warm Caribbean waters, this hilly island (frequented by diving enthusiasts) is picturesque, unspoiled and can take claim to being one of the region's fastest developing destinations.

Belize City, Belize

Belize has the highest concentration of Mayan sites of all the countries in Central America. Diving is Belize's main claim to fame due to an almost unbroken line of reefs and cayes extending for 150 miles along its coast that make up the longest reef system in the western hemisphere (and the second longest in the world).

Cozumel, Mexico

Silver jewelry in the shops of San Miguel while having a great time in its many local bars and restaurants. Plus, the waters around Cozumel's coral reefs make this one of the best snorkeling areas in the world.
